

Walker Answers to Application for site plan review

1. Dates of operation: 6/14, 6/21, 7/5, 7/12, 7/26, 8/2, 8/9, 8/23, 9/7, 9/8
2. Expected Attendance: for each event on an average of 400-700 people
3. On-site Parking Capacity: We can accommodate approx. 300-500 cars on site, We also have permission from neighbor Mr. Scott Horton to use his lot of 3 acres for additional parking which is directly next door. We will attempt to keep as many cars off from the highway as possible, We will also use cones and flares for people to slow down. Along with people parking cars. And available parking signs.
4. Site Map: please see map
5. Sanitation: We will have Porta Potty's provided to accommodate as many people as predicted for event.
6. Certificate of Insurance: copy of last years Insurance
7. Noise: Is concentrated on back of property on top of hill. Far from any residents.
8. Description of proposed use or uses: We are operating a rodeo for family entertainment. We are looking to give people of Caroga Lake and surrounding area's a chance to live the Cowboy heritage and watch contestants compete for prize money. We hope to bring an average of at least 700 people to each event. The traffic and safety is one of our major goals in controlling for our audience and the safety of the town of Caroga people.
