To the Planning Board: re: Parcel SBL# 83.-1-7.11

I am writing in support of the application of Lester L. Walker Jr, and Kimberly M. Walker-Daily for the proposed use of the property located at 3124 State Highway 29A. I am a long time property owner in the town and also own a business known as the Nick Stoner Inn. The town of Caroga is in need of commercial activities not only to add to the tax base, but to bring people to the area. With our lakes and open spaces I feel strongly that we should do whatever we can to encourage tourism and provide activities for our local residents. We are all aware that the summer season goes too quickly. I hope that the town will approve the project proposed for Route 29 A and that this will encourage more businesses to locate in the Caroga area.

Thank you for your consideration
