

To Whom It Concerns,

I am in favor of continuing with the rodeo at Paradise Ranch. The rodeo brings business into town for everyone. People come to eat and put money back into our town. Just like Royal Mt. they have to adapt their businesses dates / times to when people will support these events. Build our town up! Bring people back!

As far as parking. I attended many rodeos last season. I parked on the main road. Both sides were filled but we all left with no problems.

over

Traffic flowed easily in both directions. People were courteous and excited to attend the rodeo after the lapse.

Bring back the rodeo, give the town a chance to thrive.

Sincerely,

Shar Wager
