Re: General Municipal Law Section 239-m – Tracy and Michael Fahy – Special Permit for Two (2)
Sheds on a Residential Property along State Highway 10
(Tax Map Parcel No. 98.-1-17.125)

Dear James:

The Fulton County Planning Board was unable to conduct its meeting on Tuesday, June 22, 2021, due to a lack of a quorum. This means that the County Planning Board will not be able to offer a recommendation to the Town of Caroga Planning Board regarding this particular application within the 30-day timeframe outlined in the General Municipal Law of New York State. As you know, the Town of Caroga Planning Board is under no obligation to wait for a recommendation from the County Planning Board beyond that 30-day timeframe. However, if the Town of Caroga agrees to extend that timeframe, please let me know and I will have this application on next month's County Planning Board Agenda.

If you have any other questions regarding this matter, please feel free to contact me.

Sincerely,

Sean M. Geraghty
